Residential Based Learning Communities (RBLCs)

LYFE (Living Your Freshman Experience): *Ball Residence.* LYFE provides programs and services designed to meet the unique needs of first year residential students. Students participating in LYFE will experience success in a dynamic living and learning environment. Along with receiving assistance from LYFE staff, students will have the option to become a LYFE Scholar with increased faculty interaction and a stipend towards next year's housing.

SYE CROSSROADS (Sophomore Year Experience): *Riverwalk Apartments.* SYE Crossroads provides programs and services intentionally designed to meet the unique needs of second year residential students. The focus will be on building networks, forming major and career connections, establishing executive decision-making skills, and discovering intentional co-curricular opportunities to enhance the college experience.

CHOOSE (Campus Housing Out Of State Experience): *All Locations.* CHOOSE is a programming track for residents who are coming to IUPUI from outside the state of Indiana. The focus will be on involving residents in events and activities taking place on campus and in the Indianapolis area. This includes festivals, museums, eateries, sporting events, and exploring the Indianapolis districts.

FIRST GENERATION EXPERIENCE: *All Locations.* This track will deliver programming to our residents who are the first in their family to experience college life. How to build a support network, navigate the financial aid system, choose a major that fits you, and how to locate and utilize resources will be a few of the topics discussed.

HERRON HOUSE: *Riverwalk Apartments (4bdm).* Herron House provides a supportive, creative residential environment for students who attend Herron School of Art and Design. Herron House fosters academic, personal, and creative excellence by establishing strong ties to the Herron School, IUPUI, and the Indianapolis arts community. Residents live with other Herron students and participate in social and cultural activities relevant to their degrees. For more information, contact Stacy, sfiles@iupui.edu or 317.278.9400.

HONORS HOUSE: *The Tower and Riverwalk Apartments (2bdm or 1bdm).* The RA and the Honors College provide support and programming resources for Honors House residents. The Honors College also maintains an onsite office and resident lounge spaces for academic advising, administrative assistance, and special program support for its residents. Regular social, academic events and programming build a strong sense of community and supplement classroom activities. Leadership opportunities such as the Honors House Council, provide for the continued growth and development of the Honors Community. For more information about Honors House, contact the program office, honors@iupui.edu or 317.274.2660.

INTERNATIONAL HOUSE: *Riverwalk Apartments (4bdm).* International House is open to students and scholars from all over the world who are selected on the basis of their enthusiasm and potential for contribution to a cross-cultural learning environment and commitment to I-House principles. I-House, along with the International Club, co-sponsors the weekly International Culture Hours every Friday and organize programs on global issues. For more information, contact Jill, junderhi@iupui.edu or 317.274.5024.

KELLEY BUSINESS COMMUNITY: *The Tower.* The Kelley Community is available to students majoring in business. Students residing in Kelley have the chance to get involved in academic, social, and cultural programs through intentional interactions with faculty and staff organized by the RA and Kelley School of Business Academic Programs Office. For more details about Kelley Business Community, contact Eric, wraider@iupui.edu.

PETM (Physical Education and Tourism Management): *The Tower.* Physical Education and Tourism Management students residing in this community will have the opportunity to get involved in academic and social programs organized by the RA and PETM Office of Student Success. For more information, contact Melissa, mpohlman@iupui.edu or 317.278.9940.

PURDUE HOUSE: *Riverwalk Apartments (4bdm or 2bdm).* Engineering and Technology returning, transfer, and graduate students are housed together providing opportunities for a wide array of interaction and peer mentoring. Social activities, organized tutoring, and a 24 hr computer lab are provided. School of Science and some first year students may also apply for Purdue House. For more information, contact Terri, ttalbert@iupui.edu or 317.274.8703.

SPEA (Justice and Pre-Law): *The Tower.* Available to freshmen students interested in issues related to justice or law. Students will be encouraged to lead and participate in social justice initiatives and service opportunities on campus and within the Indianapolis community. Common majors might include Criminal Justice, Public Safety Management, Civil Leadership, Management, and anyone who identifies as Pre-Law. For more information contact Kyle, kyhunt@iupui.edu or 317.278.2077.

STEM (Science, Technology, Engineering and Mathematics): *The Tower.* The STEM Community is a first year living learning community for freshman majoring in the Schools of Engineering & Technology and Science. The living learning community promotes scholarship and camaraderie among first year STEM students. The community will offer activities focused on tutoring, career investigation, social, and first year programs. Students in the STEM community are encouraged to enroll in the STEM Summer Bridge program to enhance their first year experience and membership in the Gateway STEM Community. For additional information, contact Terri, ttalbert@iupui.edu or 317.274.8703.

SUSTAINABILITY HOUSE: *Riverwalk Apartments (2bdm).* This community is open to all students of various class years and majors interested in environmental and social action, education, advocacy, and service. Residents will live in an environment that fosters social responsibility locally and globally through developing and implementing meaningful initiatives for students to participate in. Students will be encouraged to lead and participate in a sustainability focused service project. To learn more about how you can benefit from living in Sustainability House, contact Kyle, kyhunt@iupui.edu or 317.278.2077.

WIS (WOMEN IN SCIENCE HOUSE): *Riverwalk Apartments (2bdm).* WIS is available for female science students of varying class years and majors. WIS programming immerses students in an environment that is conducive to learning with an emphasis on the particular needs of science students including academic activities that enhance educational success, provide research learning experiences, and facilitate mentoring and networking. Students will be provided the opportunity for financial assistance through scholarships, stipends and internships. For more information, contact Britt, reeseb@iupui.edu or 317.278.3549.

SPECIAL ACCOMMODATION REQUESTS NOTICE:

The Office of Housing and Residence Life is committed to assisting students with disabilities or special housing needs. If you require special accommodations, please submit the "Medical Accommodations Request / Appeal" form available on our website (www.housing.iupui.edu). The completed form can be submitted to the Office of Housing and Residence Life and must include the supporting documentation from the primary physician on physician letterhead. Applicants requesting accommodations are also required to register with Adaptive Educational Services <http://www.iupui.edu/~divrsity/aes/>.

I attest that the information included in the Housing Application is accurate and complete. I understand this is not a housing contract and that the contract will be completed at a later date and assignments are not guaranteed. I understand that the application for housing and the application for admission to the University are separate and independent transactions that I initiate. I understand that the University makes all assignments without regard to race, color, religion, national origin, sexual orientation, or veteran status and rejects all requests for changes of assignment based on such. I acknowledge that I have read and understand the requirements under the Special Accommodation Request Notice above. Finally, I understand that if/when I sign my contract and pay the prepayment it is my responsibility to understand and abide by the rules and regulations that are detailed in the Residential Handbook and Housing Contract. I have enclosed the non-refundable \$50 housing application fee.
